KENWOOD

AUTHORIZED DIGITAL SYSTEM PARTNER

CERTIFICATE OF AUTHORISATION

As the authorized representative of JVCKENWOOD Deutschland GmbH, we hereby confirm that

Funk Fuchs GmbH
Kirchdorfer Straße 8
4642 Sattledt, Austria

and its subsidiaries are officially appointed partners for the complete range of KENWOOD Communications products.

Funk Fuchs GmbH is fully authorized and supported by JVCKENWOOD Deutschland GmbH to represent our company in the system design, supply, implementation and maintenance of our communication solutions, including both analogue and digital radio systems as well as trunking systems.

This certification is valid until October 2029.

Issued on 13 July 2026 in Bad Vilbel, Germany.
